Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

WATERFORD BOARD OF EDUCATION

GOALS 2019-2020

- Execute and support the District's Strategic Plan.
- Support high quality, effective professional learning; providing necessary resources of time and funding.
- Promote mental health approaches to reduce emotional stress among our students; and support the social and emotional intelligence and development of students.
- Engage families in the most meaningful ways possible with their children's learning.
- Promote the features and benefits of all of the Waterford Public Schools to encourage Waterford families to send their children to our five public schools and to investigate other districts in attending WHS.
- Assess the district's growth and progress using a variety of assessments, information, evidence, and data to ultimately improve teaching and learning.
- Support the budget process in a challenging State and local fiscal environment and explore effective collaborative relationships in order to achieve collective savings and/or efficiencies.
- Support a positive school climate.

Acknowledgements

The development of the Waterford Public Schools Fiscal Plan for 2020-21 is a substantial leadership responsibility. We know from best practice that quality is achieved through the involvement of many people. The Waterford Public Schools Budget is consistent with and supportive of the Board of Education goals. Input was provided by district administrators, schools administrators, teachers, staff and Board members. All are to be commended in balancing the needs of all students and our local taxpayers.

I also wish to acknowledge the efforts and hard work of our support staff that helped to prepare the document and data to serve as an informative decision-making tool. Special recognition goes to Pamela Tuneski, Executive Administrative Assistant to the Director of Finance and Operations, Karen Kopec, Accounting Supervisor, Caroline Whittaker, Executive Secretary to the Superintendent, and Amelia Santangelo, Executive Secretary to Assistant Superintendent of Schools.

The efforts extended by so many people involved in this budget process are gratefully acknowledged.

Mission of the Waterford Public Schools

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

Dear Waterford Board of Education Members, Elected Officials, and Community Members:

This is a community proud of its schools for so many reasons. Our students come to our schools from a community that supports and values education in many observable ways. Our school district uses effective strategic planning, maintains a focus on results over time, and an unwavering commitment to quality teaching and learning. We vigilantly analyze our needs and re-allocate resources before asking for more; effectively negotiate employment contracts; and focus our energy and resources on high leverage, research-based strategies. We continue our commitment to the health, safety, and wellness of our students, families, and staff. This budget preserves reasonable class sizes and course offerings, a strong extracurricular program, and an investment in professional development and curriculum renewal in order to maintain and advance the quality of programs and teaching.

Our budget development process continues to be a needs-based approach. While the economy is at a ten-year high, we remain acutely aware of the local context. Our Leadership Team examined our Board-approved budget assumptions, Board Goals, our District Strategic Plan, School Growth Plans, enrollment projections, current programs, initiatives, staff assignments, and supply and equipment needs that support our mission, vision, priorities and instructional focus. All budget requests from building and department leaders were reviewed and scrutinized by the Superintendent and the Central Office Team. As is the case every year, requests were prioritized to meet students' needs. Reductions from initial requests were a collaborative approach and were considered based on strategic priorities.

It is important to note that over the last five years of budget development, we have worked to align our budget with actual past expenses and historical trends. To arrive at this budget, reductions were made from initial requests and new initiatives were again pared back. With that said, this is not a status quo budget. We have had significant gains in the last four years, but we do not intend to be satisfied with current successes. This budget will keep us moving forward. This budget invests in continued improvement and is intended to promote growth and achievement.

This budget represents a 3.05% budget increase for FY 21. This budget will meet all of the Board's statutory obligations and mandates with the goal of not compromising rigor in the classroom, supporting the social and emotional learning of students, promoting continued high quality teaching through job-embedded professional learning, all the while maintaining high expectations for all of our students.

Fixed cost increases, including contractual obligations, benefits and insurances, heat, energy and fuel, and transportation account for the entire 3.05% budgetary increase. All other line items in the budget, including but not limited to, all supplies, equipment, and our tuition lines are a net zero from FY 20.

On February 27, 2020, the Board of Education took final action on the Superintendent's Proposed Budget and made the following reductions totaling \$138,040:

- Eliminate all remaining magnet school busing for Waterford residents (\$25,504)
- Laptop Replacements for QH Teachers and WHS Science Department Students (\$56,700)
- Proposed School to Career Coordinator for WHS (\$25,836)
- Relocation to Route 85 for Buses (\$30,000)

A significant driver in this budget is the very low number (2) of teacher retirements. Up until last year, the district has averaged about nine teacher retirements per year. In our budget development, this turnover in staff from a retiree to a new hire allows us to reduce the increase in our certified salaries. With only two retirements for next year, our certified salaries line is impacted.

We have taken significant steps to continue to control the long-term fiscal lines in this budget such as salaries and benefits. In recent years, we have been able to negotiate contracts below statewide trends and move unions to mandatory high deductible health plans. In addition, a restructured salary schedule for our largest union will save a projected \$8M over the next 20 years as calculated by a certified actuarial professional. This is a tremendous savings to the town. Other recently negotiated contracts for non-certified staff also see new lower salary schedules for all new hires.

On the revenue side, we are projecting revenue to the Town of Waterford General Fund of nearly \$184,000 in FY 21 due to our new partnership with eastern Connecticut K-8 districts who are electing to send a limited number of eighth graders to Waterford High School next year. This partnership is projecting 15 students next year at Waterford High School.

Additional Context of the FY 21 Budget

Instructional Services

- + 1.0 Pre-Kindergarten Teacher (added in FY 20 - enrollment)
- + 2.0 Elementary Teachers (added in FY 20 - enrollment)
- +1.0 High School Social Worker (added in FY 20 – IDEA Funded)
- + .5 English Learners Teacher (increase from .5 added in FY 20)
- .5 Special Education (mid-year retirement in FY 20)
- 1.0 In-School Suspension Monitor (in FY 20)

Support Services

- + 8.0 – Special Education Paraprofessionals
(added in FY 20 per Special Education Student Plans)

The Board of Education has taken very deliberate steps over the last five years in the areas of future cost avoidance, cost savings measures, and most recently revenue-generation for the Town of Waterford.

DELIBERATE COST-SAVINGS, REDUCTIONS AND REVENUE GENERATION IN LAST FOUR YEARS
Terminating The Friendship School Agreement
Negotiated Elimination of Salary Lanes and Top Step in Teachers’ Contract
Last Three Contract Resulted in New Lower Salary Schedules for New Hires
Negotiate Union Contracts Below State-wide Trend
High Deductible Health Plans Mandatory for most Unions
Continue to Reduce Staff in Alignment with Enrollment Trends
Targeted Marketing to Retain Students in District and Bring Back Students in Outside Private and Public Schools
New Gas Line for CLMS
Energy Efficiency Measures
REVENUE SOURCE: ACTIVELY RECRUITING STUDENTS FROM AREA K-8 DISTRICTS FOR WHS (76 SEATS) \$1M / year income potential for Town General Fund at contract maximums

Conclusion

We would like to acknowledge the hard work of our team; including our principals, department heads, directors and supervisors, business office and central office staff, and our faculty. We particularly want to recognize the efforts of Joe Mancini, Director of Finance and Operations; Craig Powers, Assistant Superintendent; and Kathy Vallone, Director of Special Services who have spent many hours over the last several months assisting in the development of this budget.

The FY 21 Board of Education Budget represents our team's conscientious efforts to continue to maintain the current level of service to our students and families while still pushing our next level of work. When you take into consideration the fixed costs and contractual increases, this is a responsible proposed budget. Line items have been justified and adjusted when necessary but not until after careful analysis.

The budget in this book emphasizes our continued commitment and obligation to the social and emotional wellness of our students and staff, while pursuing our mission of learning and high quality instruction. This budget places a high importance on instructional quality through embedded professional development and increased capacity to support our students with special education needs. It supports reasonable class sizes to sustain our stringent focus on student engagement and learning.

The Waterford Public Schools continues to be an exceptional school district in so many ways. We appreciate the community's support that allows the Board of Education to sustain the outstanding academic, co-curricular, and athletic programs that ensure that all Waterford students receive a high quality education.

We stand prepared to assist you in your deliberations related to this proposed budget.

Sincerely,

Craig R. Merriman

EMPLOYEE BENEFITS

\$7,982,791

Health Insurance

- Qualified employees of the Waterford Board of Education are entitled to receive Medical & Dental Insurance. Waterford's Health Insurance is a self-insured plan administered by Anthem Blue Cross and Blue Shield. The self-insured plan covers the first \$175,000 per person per year, with any amount in excess being covered by Stop-Loss Insurance. The High Deductible Health Plan (HDHP) has helped mitigate costs over the past five years.

Life Insurance

- Costs associated with coverage as negotiated in several union contracts.

FICA

- As an employer, we are obligated to match our employees' deductions for social security. Most support personnel are required to contribute to this fund based on their number of scheduled hours. Also, we are required to contribute the Medicare portion (1.45%) on all new certified personnel hired since 1986.

Reimbursements

- Contractual obligations for tuition reimbursement and maintenance/custodian shoe allowance.
- Tuition reimbursement under the teacher's contract is set at \$75,000. The remaining amount is for contractual obligations for various support staff bargaining units.

Unemployment Compensation

- We are required to contribute to the unemployment compensation of eligible former employees, who earn wages from Waterford Public Schools during a specified benefit period.

Worker's Compensation

- According to State statute, we must maintain worker's compensation coverage in the event an employee is injured while on the job. Coverage is provided by CIRMA (Connecticut Inter-local Risk Management Agency) and premiums are based on rates per job category and claim history.

Unused Sick Leave

- This is the contractual obligation for the payment of unused sick leave upon retirement. The projection is based upon notifications from teachers of a pending retirement for the next school year. While many senior employees will retain this benefit, contract negotiations have achieved reduced benefits for mid-career employees and have eliminated this benefit for new hires.

Retirement Incentive

- The amount budgeted is the payment due for those employees who retire. The projection is based on retirement notifications received per contractual obligations prior to December 1st.

There were also 537 Waterford residents enrolled in various Continuing Education Programs.

Professional Development

- This account is used for teacher, paraprofessional, and administrator training as specified in the District's professional learning plan. Most of these funds support programs that are developed and presented within the District. Three full days of training are also offered each year. The quality and improvement of the education offered all students depends upon the continuous improvement of the staff.

Curriculum Development

- The curriculum development projects for 2020-21 are K-12 Art and 6-12 Science.

Other Professional/Technical Services

- These accounts are used for where special skills/expertise is necessary or required throughout the district. The Special Services department utilizes these funds for occupational and physical therapists, Board Certified Behavior Analysts, invoiced services at magnet and charter schools, health services, and outside evaluations and has seen increased student need over the past few years. The IT department uses funds to support special expertise required to maintain over \$5 million in total infrastructure. Funds for new employee physicals, district nursing services, the district medical advisor and residency investigations are also paid out of these funds. Certain district initiatives are supported by consultants.

Legal Services

- Legal Services will increase due to upcoming negotiations with the teacher's union.

TRANSPORTATION**\$2,440,124****Pupil Transportation – Regular and Special Education**

- The transportation contract was put out to competitive bid January 2017 with Student Transport of America (STA) being the lowest qualified respondent. STA has proposed a 3% annual increase with this five-year contract. FY21 is year four of the contract.
- This budget is based on the current year utilization and assumes twenty-three (23) Type I buses for regular education transportation and nine (9) Type II, buses, three (3) of which are wheelchair equipped.
- This budget assumes the return of the buses to the new public works facility on route 85.

Magnet School Transportation

- In FY20 and FY21 budgets, the Waterford Board of Education has eliminated transportation to all out of district magnet schools.

Fuel- Buses/Vans/Maintenance

- The cost of diesel fuel under our transportation contract with Student Transportation of America is borne by the Board of Education. This account is budgeted at the contracted price of \$2.25 per gallon for diesel fuel while regular gasoline is budgeted at blended rate of \$2.08 per gallon. The budget estimate is based on actual gallons used in 2018-2019 and anticipated future use. The school vans and the maintenance vehicles use regular gasoline.

COMMUNICATIONS

\$93,197

Communications

- This category contains costs associated with various forms of communications. In FY21 this line will be funded 40% by the E-rate* program. The E-rate program funds Wi-Fi equipment, Fiber and Internet to the classrooms. Our district-wide network connects each school to Town Hall and is the conduit that runs our phones, television, internet, data, security alarms (lockdown, fire, and burglar), and electronic door access for each of the schools. These robust Fiber optic connections have greatly reduced annual expenses (i.e., phones and internet). E-rate fully supports the WPS networking model and will continue to provide maximum funding for eligible items. In FY21 E-rate will fund the following amounts for emergency data backup power (\$13,241), fiber maintenance fees (\$7,080) and internet service for the district (\$5,760). In 2016, the State of CT cut funding for Internet services to all public schools (a previously free service). It is anticipated that E-rate will fund \$26,082 in FY21, which includes 40% of mentioned communication items. The district remains committed to finding creative ways to save money on communications and the fiber network has permitted us to add important features to our communication system without increasing our budget.

Postage

- This is the total cost of postage for Waterford Public Schools. This line is being reduced from the level of FY20 as we continue to utilize our web site to post information and the School Messenger system to deliver mass messages. Mailings are limited to essential correspondence.

Advertising

- Covers the cost of classified ads for personnel vacancies and legal notices. Electronic media is used whenever it is effective and efficient and only doing print advertisement when it is required by legal mandate or is the best option.

The Friendship School

- The Friendship School is a RESC-operated inter-district magnet school operated by LEARN, the Regional Education Service Center. The school serves about 505 three, four, and five-year-old children from towns in southeastern Connecticut. Tuition for students in Kindergarten is the statutory responsibility of the sending town. Special education costs are also the statutory responsibility of the sending town for any student at The Friendship School.

RMMS Magnet School

- The Regional Multicultural Magnet School, located in New London, is for students in grades K-5. Students are immersed in an environment where they learn to appreciate cultural differences from all over the globe as well as their own and celebrate the diversity of the world's communities.
- RMMS only charges tuition for a maximum of 24 students. The amount budgeted reflects 24 students enrolled, although we are projected to have 27 students at RMMS next year.

C.B. Jennings

- This K-5 school located in New London, opened as a magnet school in the 2018-19 school year and enrolls students in surrounding towns in kindergarten. Students receive instruction in both Spanish and English.
- We are projecting one first grader to attend this school in the 2020-21 school year.

Winthrop STEM

- Winthrop STEM, located in New London, is a magnet school located for students in grades K-5, which specializes in learning through exploration in science, technology, engineering and math (STEM).
- The amount budgeted reflects a 2020-21 student enrollment projection of 13 students.

Nathan Hale

- Nathan Hale, located in New London, is a magnet school located for students in grades K-5, which specializes in Performing and Visual Arts.
- The amount budgeted reflects a 2020-21 student enrollment projection of 10 students.

Dual Language & Arts Magnet Middle School

- The Dual Language & Arts Academy Magnet Middle School, located in Waterford, is for students in grades 6-8. Students develop skill level in both Spanish and English within a multi-cultural setting, and experience music, art and theater within both the classroom and the greater local arts community.
- We have budgeted for five students in 2020-21.

Arts Magnet Middle School

- Students in grades 6-8 attending this New London school are exposed to and immersed in the arts including vocal and instrumental music, visual art, dance, theatre, media arts, and interdisciplinary arts.
- We are projecting one student at AMMS next year.

STEM Magnet Middle School

- SMMS is the middle school option located in New London that specializes in learning through exploration in science, technology, engineering and math (STEM).
- The projected enrollment for next year is 4 students.

ISAAC School

- ISAAC, the Interdistrict School for Arts and Communication, is located in New London and is a free public charter school. ISAAC is an experiential learning community where students are challenged to discover their talents and strengths, while valuing the diversity in others in their school, community and the world.
- There is no tuition fee for ISAAC students, although we are projected to have seven students there next year.

Ledyard Agri-Science & Technology

- The Ledyard Agri-Science & Technology program, for students in grades 9-12, provides opportunities for students to develop knowledge, competencies, skills, and attitudes in related areas for a future career, foster an interest in, or become a knowledgeable consumer of agriculture and natural resource products.
- One (1) student is projected to be enrolled in this program in 2020-21.

Science & Technology Magnet High School

- The Science & Technology Magnet High School, located in New London, is a regional comprehensive program for students in grades 9-12, which specializes in STEM (Science, Technology, Engineering, and Mathematics) programming.
- We are projected to have 16 students at STMHS next year.

Marine Science Magnet High School of Southeastern Connecticut

- The Marine Science Magnet High School, located in Groton, is for students in grades 9-12 and provides a core curriculum and related activities which focus on marine subjects and are reflective of current and future marine-related opportunities.

- Twenty-two (22) students are projected to be enrolled at MSMHS in 2020-21.

Middle College High School

- Middle College Magnet High School, located on the Three Rivers campus, serves students in grades 11 and 12 who are interested in pursuing studies in the fields of engineering technology, business and finance, and hotel/hospitality management. Students complete high school graduation requirements while having the opportunity to take college courses.
- The projected enrollment for next year is 4 students.

Project Oceanology

- All sixth grade students at Clark Lane Middle School and those students at Waterford High School enrolled in marine biology and marine science courses participate in Project Oceanology at Avery Point.

Special Education – Other Public

Funding for the out-of-district placement of special education students whose placement is in a specialized program within a public school setting:

- **OCEAN AVENUE LEARNiNG ACADEMY:** The facility supports students with developmental disabilities such as autism, emotional and behavioral challenges, and complex medical needs. The program provides ABA services as well as direct and consultative clinical support in the areas of psychiatry, psychology; social work and behavioral expertise – these are provided based on the child’s individualized needs.

Special Education – Private

Funding for the out-of-district placement of special education students whose placement is in a specialized program within a private school setting:

- **Adelbrook (Transitional Academy):** The Adelbrook Transitional Academy is a community-based vocational program for young adults with intellectual and/or developmental disabilities. In addition to vocational training, the Transitional Academy provides functional academics, and community engagement opportunities to help prepare students for independent living. Students have the opportunity to develop critical life skills through a hands-on and exploratory curriculum.
- **Bradley School – Montville** - Bradley School is a private, school-funded, educational program for children and adolescents whose psychiatric and behavioral needs cannot be met in a public school setting.
- **BEST Academy** – For both autistic and non-autistic populations they design and implement individualized programs to meet the academic, social, emotional and behavioral needs of each child. By strengthening executive functioning, theory of mind and central coherence, students develop social understanding, coping skills, organization techniques, and independence to live richer and fuller lives.
- **Connecticut Coastal Academy** – The Connecticut Coastal Academy is at the forefront of decade’s long movement that restores and recognizes the gifts of people with physical, intellectual/social emotional and learning differences. Inclusion of nontraditional thinkers and learners is not a service they provide; it’s a strength they harness. Through restorative approaches to behavioral health we nurture socially oriented young people, who are proud to take meaningful roles in their communities.
- **Hope Academy:** Hope Academy’s program accommodates students who have not met success in a traditional academic setting due to their disability. Unique programs are offered for students in grades 1 through 12 where students are provided with an individualized student-centered curriculum.
- **Lighthouse Voc-Ed Center, Inc.:** A private, nonprofit organization established to promote a quality community based program encompassing the life skills necessary for individuals to function independently. Each person’s program is coordinated with their teachers, therapists, speech pathologists, case managers, and/or families. Individual programs are designed

for each person based upon their needs as determined by staff and families. Success oriented, integrated group activities are designed according to age and behavior. Lighthouse provides both day and extended day programs.

- **Meliora Academy:** Meliora Academy is a private educational program designed to provide intensive and comprehensive educational services to students with autism spectrum and related disorders. It provides students with a data-based instructional curriculum as part of a transdisciplinary teaching program utilizing research-based interventions including, but not limited to, ABA to reduce the fragmented learning that often occurs with youngsters on the autism spectrum.
- **River Run Academy at the Susan Wayne Center of Excellence** - is a residential treatment center designed to enable students with unique challenges to reach their maximum potential by offering a sophisticated level of education and clinical treatment.
- **Seabird Enterprises, Inc.:** Seabird was established as a non-profit organization in the town of Groton in 1983 to provide vocational opportunities to students and adults with mental retardation and/or developmental disabilities in the community.
- **Waterford Country School:** Comprehensive special education academic, prevocational, behavior management, life skills, and support programs for residential, emergency shelter, and day students, ages 8-21. Day students may be placed by their LEA. Residential, shelter and safe home placements are state agency placements.

Waterford Transition Program at UCONN Avery Point Campus

- Transition Program for students ages 18-21 that is located on the UCONN Avery Point campus. This transition program provides students with a variety of opportunities which include direct paid work experience, teaching around resume writing, job applications, personal finance, career readiness, study skills and independent living skills, to name a few. Students also have an opportunity on Fridays to work in the community as well as building social skills with peers. The program fosters the growth of the special education student to build their independence so

they are able to enter the work force or attend college with assistance or independently.

Emergency Shelter

- No-nexus State students who have been placed in the Waterford Country School’s Rita STAR or Thomas Bent Shelter who are not appropriate for public school placement. Educational services are provided by Waterford Country School. This account varies widely from year to year due to state agency placements.

Waterford Country School – Out-of-District

- No-nexus students who have been placed in one of the Waterford Country School’s Safe Homes or Shelters and requires an intensive, therapeutic educational setting such as Thames Valley Clinical Day Treatment or the Joshua Center based upon the students Individualized Educational Plan (IEP).

Excess Cost – Local, Public, Private

- Excess cost reimbursement was defined as five (5) times beyond the district’s average per pupil cost for placements made by the district. However, beginning July 1, 2003, the reimbursement base was reduced to four and one half (4.5) times by the General Assembly. State Agency placements are set at one (1) times beyond the district’s average per pupil cost. The anticipated projected reimbursement rate for excess cost is 70%.

---------------------------------	------------------

Travel – District

- The cost of travel reimbursement for itinerant teachers, information technology and maintenance personnel traveling within the five (5) schools in the district. Actual reimbursement per Board of Education policy is based on Internal Revenue Service guidelines.

Conferences/Meetings

- Conferences are focused around instruction of literacy and mathematics, with preference given to new areas of curriculum implementation.

Contracted Services

- The cost of miscellaneous consulting and programming fees related to business office financial management software.
- There is an annual maintenance cost associated with the time and attendance system (joint project with the Town) to improve efficiency and accuracy of an important management function.
- Additionally, this series covers air quality testing, pest control, boiler maintenance and emergency lighting.

Field Trips

- The operating budget provides limited funding for field trips. The field trips are primarily for science and music competitions. These funds are utilized to transport Waterford High School students to academic competitions.
- Our contract with Student Transportation of America allows for 200 field trips in southeastern Connecticut, therefore, costs are contained for field trip transportation.

Fuel Oil

- For Fiscal Year 2021, the Waterford Board of Education will only be using fuel oil for generator use at four of our schools; Clark Lane Middle School does not have a generator. The estimated price for fuel oil for 2020-2021 is \$2.30 per gallon.

Electricity

- The School District uses in excess of 7 million KWH per year. In December of 2017, the district entered into a 36 month contract to purchase electricity at a fixed rate of \$.07640 per KWH. All related transmission fees of 0.0735 added to KWH cost gives us an estimated budget cost per KWH of \$0.149.

Natural Gas

- Clark Lane Middle School has begun using natural gas as of winter 2018.
- The high school will continue to heat the pool area, auditorium and gymnasium with natural gas.
- Quaker Hill Elementary School uses natural gas primarily in the cafeteria.

Propane

- Propane is used in all cafeterias to heat hot water and in the front office at Great Neck and Oswegatchie Schools.

Water

- The cost of water is based on usage and a fee that is based on the size (diameter) of the pipe.

Sewer

- The cost of sewer is based on the water consumption and a fee with the majority of the sewer fee based on use.

Maintenance and Repair

- There are several accounts in this category, all pertaining to the cost of contracting maintenance services such as security monitoring, alarm system (burglar, refrigerators, sewer, boiler) specialized electrical, heating and plumbing, roof repairs, floor machines, inspections, service contracts, snow removal, vehicle maintenance, and fire extinguishers.

Maintenance Equipment

- Tools and equipment with a unit cost excess of \$500, and having a life expectancy of more than one year, will be charged to this account to allow for better tracking of expenses.

Maintenance Supplies

- In order to monitor and track maintenance expenses more closely, this account has been subdivided into several specific accounts. The new account structure includes individual accounts for electrical supplies, air filters, and plumbing supplies. These are in addition to vehicle, custodial, paint, pool, and general supply accounts. The budgets for these categories cover the costs of cleaning, preventive maintenance, and repairs for the district. Supplies for cleaning are consumables products. Supplies for maintenance are used for preventive maintenance and repairs which are done by Waterford Public School personnel labor. Supplies for the pool include special cleaning products for the pool deck, pool chemicals and maintenance of the chemical controller.

EQUIPMENT

\$319,316

Principals review equipment requested by teachers or department heads to determine which items are necessary and reasonable within the total building budget. The Superintendent further scrutinizes these requests.

Program Equipment

- This category consists of equipment, which is used directly or indirectly for the instruction of students. This account budgets for replacements to music, P.E., athletics, as well as other classroom needs, such as multi-media (audio visual).

Technology Plan Equipment

This account budget is for infrastructure maintenance per the technology plan, which supports over \$5 million in hardware. Specific projects for 2020-21 are as follows:

- \$19,862 for emergency power for the data closets. This will improve network operations during power failures. E-rate will fund an additional \$13,241 for this initiative.
- \$8,690 to maintain the regional printing environment. Regional printing consists of printers, copiers and swipe card systems. This funding will be used for replacing end of life printers and updates to the print management system.
- \$9,800 to replace end of life staff laptops district wide.
- \$39,600 to replace teacher laptops. Quaker Hill (All) and WHS (1/2 were replaced in FY20)
- \$\$79,900 to replace the end of life specialized workstations in the 3 Tech Ed labs at WHS. (Deferred in FY20 Budget)
- \$17,250 to replace the end of life Chromebooks in the elementary schools
- \$15,800 to add new Chromebooks for 2nd grade.
- \$ 878 for iPads and accessories for WHS science
- \$13,319 for STEAM/Robotics, coding & robots; learning packs and classroom kits.

Special Education Equipment

- Equipment specifically used for Special Needs students or programs:
 - \$5,500 for FM unit, transmitter and microphones for hearing impaired students; iPads, Kindles, iPods and Chromebooks.

Maintenance Equipment

- This line item is for equipment purchases that exceed \$500 in the Buildings and Grounds cost center. It includes items such as snowplow blades and tools.

Waterford Board of Education

MISSION

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

In support of this Mission, we believe:

- ❑ Education is a collaborative responsibility requiring a partnership among the individual, family, school system, and community.
- ❑ Safety, integrity, and respect are critical to support success for all learners.
- ❑ The greatest potential for learning occurs when an individual's social, emotional, and academic needs are met.
- ❑ Student growth and achievement are enhanced when curiosity, creativity, and continuous improvement are valued by all members of the learning community.
- ❑ Evidence and information are the foundation of sound decision-making.

ACADEMIC, SOCIAL AND CIVIC SKILLS

ACADEMIC

- Communicate effectively for a variety of purposes and audiences.
- Acquire, understand, evaluate, synthesize, and apply information.
- Use critical and creative thinking to find and solve authentic problems.
- Construct and defend arguments based on evidence.
- Demonstrate digital fluency and purposeful application of tools for learning.

SOCIAL

- Demonstrate behavior that adheres to established standards of conduct and reflects integrity and fairness.
- Recognize, respect, and value individual, cultural, and racial diversity.
- Engage productively in self-directed independent and collaborative endeavors.

CIVIC

- Participate in activities that foster citizenship, the democratic process, and community awareness.
- Share in the responsibility for the mental and physical safety of themselves and others.

GOALS

1**COMMUNICATION & ALIGNMENT**

The district is committed to a clearly communicated and purposeful vision, shaped by our mission and defined, prioritized goals, which will ensure student progress and success.

2**HIGHER ORDER THINKING**

The district is committed to creating a unified district focus on Higher Order Thinking Skills.

3**ASSESSMENT**

The district is committed to assessing progress in a consistent, accurate, and timely manner and will use the assessment results to identify needs, guide changes in instruction, and inform conversations about needs and goals of both students and staff.

4**POLICY ALIGNMENT**

The district has committed to aligning policies and processes that support the mission of the district and further the goals of the Strategic Plan.

5**SOCIAL EMOTIONAL LEARNING**

The district is committed to supporting the social and emotional needs of all students.

Enrollment Summary

The enrollment projection for the 2020-21 school year is 2,391 students. The NESDEC projected enrollment for the 2019-20 school year was 2,440 with an actual enrollment of 2450. The district's actual enrollment continues to outperform projections.

The projected Pre K-5 enrollment forecasts a decrease at the elementary level from the current 1,050 students to 1,026, which is 24 less students, for a 2.34% decrease. Also included in the 2020-21 enrollment projection is 53 students in pre-kindergarten. This number includes our forecast of 25 students requiring pre-kindergarten services as part of the Individualized Education Plan and an equal number of non-disabled peers.

The projected enrollment for grades 6 through 8 at Clark Lane Middle School predicts an increase from the current 586 students to 594 students, which is 8 more students, for a 1.34% increase.

The projected enrollment for Waterford High School forecasts to see a decrease from the current 810 students to 757 students, which is a 6.5% decrease, or 53 fewer students.

Direct Payment Grants Description

Title I, Improving Basic Programs

The federal government provides funds for education of needy students. These funds are used to partially fund Literacy and Math Support Teachers at the elementary, middle and high schools.

Title II, Part A, Teachers

Money is used to fund professional learning for staff to improve instruction.

Title III, English Language

This grant is used to provide professional development for the ELL teacher. It is also used to purchase curriculum materials for English Language Learners.

IDEA, Part B, Individuals with Disabilities Education Act

A grant provided by the federal government based upon the number of identified special education students. This supplements special education programs in all Waterford schools. A proportionate amount is used for non-public special education students.

IDEA, Part B, Preschool Incentive

An Entitlement is provided to local school districts serving preschool handicapped children ages three, four, and five. Funds are used to provide handicapped students opportunities to learn in an environment that does not segregate them from their normal peers. These funds are applied to The Friendship School.

Special Education Excess Cost

The State Department of Education will reimburse out of district placement tuition costs that exceed 4.5 times the district's annual per pupil expenditure for students placed by Waterford Public Schools as well as the excess of tuition costs beyond the one time standard pupil cost for students placed by a State agency.

Adult Education

A grant is received from the state to help fund the required adult basic education program. We have a cooperative arrangement with New London, which administers courses leading toward a high school equivalency diploma.

Carl Perkins Grant

A federal grant used to enhance vocational training at the high school by providing an increased focus on the academic achievement of career and technical education students and strengthen the connections between secondary and postsecondary education. The funds are used in the areas of Business and Finance Technology, Family and Consumer Sciences, and Technology Education and Engineering.

Community Center

The Waterford Community Center reimburses the School Department for 1.0 FTE custodian that serves the center.

IT (Information Technology)

The Waterford Public Schools provides technology support to the Town of Waterford. This revenue represents the Town's reimbursement for service on a pro-rata basis.

IT (Information Technology)

The Waterford Public Schools provides technology support to the Town of Waterford. This revenue represents the Town's reimbursement for service on a pro-rata basis.

Magnet School Transportation

A state grant that helps offset the cost of transporting students to The Friendship School, the Regional Multicultural Magnet School, the Marine Science Magnet High School and the Science and Technology Magnet High School.

Medicaid

Waterford Public Schools is an approved Medicaid provider which can bill the federal Medicaid program for all medically necessary covered services that are provided during the school day and are authorized by a planning and placement team. Only certain diagnostic and rehabilitative services are partially reimbursed by the federal government if they are offered to Medicaid eligible special education students.

Teachers Retirement Board Health Insurance Supplement

Public Act 89-342 which provides to Boards of Education and retirees partial subsidization of health insurance premiums.

Waterford Recreation and Parks

Supplemental funding to Board of Education for costs of community usage.

Mr. Thomas W. Giard III
Superintendent of Schools

Mr. Craig C. Powers
Assistant Superintendent

Dear Community Members,

I continue to be proud to be the Superintendent of the Waterford Public Schools. I sincerely appreciate the opportunity to lead such an outstanding school district with such a history of excellence.

The 2018-2019 school year was one of substantial accomplishments in the Waterford Public Schools for our students, staff, and families. On behalf of our central office team, it is a pleasure to present this Annual Report to the Waterford community. This report will provide information with regard to the many programs happening in our school district.

The Waterford Board of Education has continued to work diligently through challenging budgetary times to provide consistent educational programs and maintaining an engaging environment that challenges our students. We have an amazing staff who are dedicated to our district; bringing their best at all times for our students. The Board maintains a strong commitment to excellence to vigorously engage students in the learning process and ensure that all students are college and career ready. During the 2018-2019 school year, the district implemented the second year of its five-year Strategic Plan. Our schools also implemented several Sandy Hook Promise Programs including Start with Hello, Say Something and specifically the Wingman Program at CLMS. We continued many parent engagement activities as well. Our High School held its second annual STEAM (Science, Technology, Engineering, Arts, and Music) Showcase night for the community. This was an opportunity for our high school students to showcase their learning.

It is inspiring to be a part of a team that is committed to educating the whole child; providing for the social, emotional, and academic well-being of every student. As this Annual Report shows, we have once again reaffirmed the importance of reasonable class sizes and academic support services. We continue to offer a full range of opportunities for students at a time when many school districts are cutting back their programs in athletics and the arts.

At the end of the day our students continue to achieve at high levels, develop their talents and interests, and demonstrate their commitment to make a positive contribution to their community. We are very proud of our many noteworthy accomplishments and continue to appreciate the immense support from our families, town, and community.

District-wide

- The District's 5 year strategic plan remained a focal point this year ensuring a strong coherence across all goals from the Board of Education to Administration to staff. School leadership teams created school improvement plans that included goals and strategies to address accountability results, standardized assessment data, and the district's strategic plan.
- The District continued its focus on opportunities for students to earn college credit. 13 Advanced Placement (AP) courses were offered as well as 11 Early College Experience (ECE) courses. WHS provided students Extended Learning Opportunities ELO's, a program designed to provide students with the ability to earn high school credit through learning experiences that occur outside of the classroom setting.
- Administration and staff applied for and received over \$200,000 in grants to enhance the educational platform for the district and students. This increase of 45% from the previous year was a vital instrument in bringing educational programs and opportunities to students in the district.
- Thirty five Waterford High School students achieved the Seal of Biliteracy, passing tests in languages including Latin, Spanish, Urdu, Tagalog, and Mandarin.
- The College and Career Pathways program completed its second year providing students with opportunities for exploration in STEM, Marine and Environmental Science, Business and Hospitality, Health Services, Arts and Communication, and Leadership and Public Service.
- The design and implementation of programs to meet the Social Emotional needs of our students remained a consistent priority within the district. We had a successful second year of the Sandy Hook Promise Say Something Program and Wingman Program at Clark Lane Middle School. Elementary Schools continued the Start with Hello program. We continued our work with our community partners as well in these vital areas. The Youth Promise Program in collaboration with the Waterford Youth and Family Services Bureau and the Police Mentoring Program through the Waterford Police Department continued engaging collaborations between the town and district.
- Professional Learning remained a focus for providing resources for staff growth and development. The district hosted a third Teacher Leadership Academy designed to further develop the leadership capacity within the district. Four teachers were also selected to receive a Fund for Teachers Fellowship Grant that enabled them to engage in significant, in-depth professional growth experiences during the summer.
- Clark Lane Middle School hosted the third annual SMARTs Night (SCIENCE, MATH, ARTS, TECHNOLOGY) that showcased the unified arts, electives, Connections activities and the many unique projects and events Clark Lane offers to our students and community.
- The district continues to be mindful of the economic climate and consistently puts forth responsible budgets that allow us to continue to progress as a district.

Waterford's students as a whole continue to perform well in the classroom and in the community. This is a reflection of the dedication to the students of Waterford by our teachers, staff, administration and our parents. We will continue to work on fulfilling our mission statement to guarantee that each student acquires the skills and knowledge to become a successful individual and a responsible citizen by setting high expectations and requiring excellence in an atmosphere of integrity and respect.

Curriculum Department

In the 2018-2019 school year, the Grade 6 World Language Exploratory curriculum was revised in order to meet the needs of our students based on what the middle school teachers experienced in the implementation of the new model of introducing students to World Language with exploratory French, Spanish, and Latin. The creation of the Grade 7 Latin I Part I curriculum was also added. All 7th and 8th grade World Language curricula were designed to be the equivalent of a High School Level 1 language.

The Grades 9-12 English Language Arts curriculum was also redesigned. The changes to this curriculum included the realignment of the curricular standards that better aligned with Waterford High School's work on Vision of a Graduate. A phased-in elimination of the Standard levels was also implemented. The addition of a Grade 9 English Link Program has been a great support in Math Algebra 1. Students requiring additional math support have a scheduled Link class every other day to work with an English teacher and receive the scaffolder Tier 2 support. A new partnership with the Eugene O'Neill Theatre has added a new semester course entitled Playwriting, where students worked with staff and theatre professionals to explore all aspects of playwriting and acting in this community collaboration.

The PK-12 Music curriculum was also redesigned to align to the most recent National Core Arts Standards which stress Music Literacy and emphasize conceptual understanding in areas that reflect the actual processes in which musicians engage. The new curriculum layout was similar to the Visual Arts curricular document. New to the instrumental offerings were Elementary and Middle School Jazz Band and a ukulele elective was added to the middle school courses. Also added to the curriculum was Pre-K General Music. New to the curriculum at the High School was a Jazz Improvisation course which served those students interested in taking an additional music theory class. Student learning was also enhanced by requiring students to be more engaged in the Vision of the Graduate expectations.

The Professional Learning and Evaluation Committee (PLEC) met four times over the school year and worked on the planning of all district Professional Learning Days.

The District Analysis and Action Team (DAAT) met five times during the 2018-2019 school year, with a focus on SBAC Data. Data analysis of Grade Level Achievement, Growth Cohort, Zero Growth, and Cohort Achievement was conducted.

There were professional workshops in the following areas: K-5 Words Their Way, K-5 Math Workshop, Google Level 1 Certification, 6-8 Great Schools Partnership, 6-8 PBIS, and 9-12 Great Schools Partnership Mastery Based Learning.

Special Services Department

Special Education services continued to be delivered primarily in inclusive settings across the district. At Waterford High School and Clark Lane Middle School, special education services are delivered in cooperatively taught classes, along with classes which focus on specific skill improvement that are typically offered in a self-contained setting. Our elementary school buildings support the continued integration of special education services with a focus on the provision of related services in the general education setting. Services have been enhanced to support special education students as they transition from preschool to elementary school, elementary school to Clark Lane Middle School, and then to Waterford High School. Technology is utilized by all staff, when appropriate, to support special education students' needs, especially the use of iPads, Kindles, and Chromebooks. Our special education staff has focused on reading and literacy development, with an emphasis on research-based programs such as Wilson Language, Orton-Gillingham, Read Naturally, Read Live, Reading Milestones, Lindamood-Bell, and the EdMark Reading Program.

We offer self-contained support center programs at each school building for students who are experiencing significant difficulty in the more traditional education setting. The programs focus on providing individualized instruction while fostering social and emotional growth. The support centers offer individualized supports which are flexible in order to meet the student's needs. These supports might include a check-in, part-time or a fully self-contained placement. We also offer a self-contained Autism program at the elementary level which provides very specialized services for students diagnosed with Autism. We have a district BCBA (Board Certified Behavior Analyst) who is able to travel among the schools to provide specialized support to students on the Autism spectrum as well as for any student struggling with behavior issues. Our district ADOS (Autistic Diagnostic Observation Schedule) team is working together to complete evaluations of students who are suspected of having Autism. We continue to provide a well-rounded program for our young children diagnosed with Autistic Spectrum Disorders particularly in the implementation of the SCERTS Model, which focuses on Social Communication, Emotional Regulation, and Transactional Support.

Our district mental health staff, which includes school psychologists, school social workers, school counselors, and our Board Certified Behavior Analyst, continues to work together in order to provide direct counseling services to our students and recommendations to staff and families as well as home visits as needed. Some of the programs being implemented by our counseling staff to provide students with strategies to support positive mental health include offerings such as Mind Up, mentoring, and yoga. Special Education staff, Middle and High School staff, as well as paraprofessionals, all attended a professional development training focused on supporting students dealing with social and emotional issues.

Our Speech and Language Pathologists have participated in training to complete assistive technology and/or augmentative communication evaluations for students. They are also exploring resources/apps for students to use to support their access to the curriculum.

Waterford had three inclusive Preschool classrooms in the 2018-2019 school year that were located at Great Neck Elementary School. The classes provide a program for all of the district's preschoolers identified as in need of Special Education. Related services as well as specialized special education services are provided as appropriate to meet the student's needs. There is a lottery for the general education peers to enter the program.

Technology Department

The IT Department continues to build on the successful technologies introduced in the Waterford Public Schools Technology Plan. The WPS fiber optic network has been upgraded to 10 Gigabit connections. The project directly benefits the students with improved digital access. New technologies that were piloted are now in full use across the district. Students can work from the cloud using multiple types of mobile devices and tools to access learning resources. Technologies include: virtual desktops, Google Apps, Chromebooks, and cloud printing are deployed to support the anytime/anywhere learning environment goal set in the technology plan.

In the school district, we leveraged the new 10gig network and federal funding to deploy new high speed access points at the High School. The remaining four schools had the same access points deployed over the last few years with the help of federal funding. This combination of high speed fiber and state of the art access points in every classroom creates a high speed connection for every student. This is very important in today's learning environment. The students depend on internet connectivity for study materials, homework and testing. In addition to the learning infrastructure improvements, we began looking for a data warehouse solution for WPS. Pulling together all educational data assets from all relevant source systems, and then linking this data together. The system will allow the teachers and administrators to focus on analyzing information. A single reliable source for information on students, programs, curriculum, teachers, schools, and the district is critical. The data warehouse will be rolled out in FY20. In addition was the deployment of new active panels at Quaker Hill School. The new panels are bright, easy to see and continue to leverage the Waterford Public Schools' cloud based learning environment.

For the Town of Waterford, the IT Department takes direction from the IT Committee. Rapid changes in technology require periodic updating to job descriptions, and the potential for restructuring. This year an existing position was dedicated to serve at the Police Department full time. This was needed because the Police Department is rapidly acquiring new systems and technology. The technology at the Police Department is robust and complex which requires full time support 24x7. In addition a Data Specialist position was created which addresses data specific needs and backfill duties from the position that moved to the Police Department. Analyzing and maintaining data is key to making the right decisions by school and town leaders. These employees have the necessary skill sets to benefit Waterford for years to come.

The IT Department improved the Town and Police systems during FY19. We upgraded the town data center with new high power hosts and a flash-based storage system. Building on the data center upgrade, the IT Department installed a new email system, windows enterprise servers and 10gig local switch. It was a major install improving security, reliability and performance. In addition we deployed new security software to protect all servers and workstations. In addition, all computers were updated with Office 2016.

Technology continues to advance. It has increased in complexity and volume. Much progress has been made this year related to the goals in both the Town and schools technology plans. Along with the day to day operations, projects were completed on time and with great success.

Business Department

The 2018-2019 school year saw the introduction of a new tuition model; a tuition model that could bring in an additional \$1 Million per year by 2025 to the Town of Waterford. During Fiscal Year 2019 we have continued our work towards analytical based decisions that drive predictability and cost control.

We continue to evaluate energy solutions for the district and are currently evaluating solar and natural gas cogeneration plants.

Buildings & Grounds Department

School year 2018-2019 was a productive year for the Buildings and Grounds Department.

We removed old learning boards; patched and painted walls; supplied wood mounting blocking; and ran new electrical and data connections. Our department completed the installation of gas water heaters at CLMS. The last heating oil tank in the district was removed.

We continued to support preparations for Camp Dash and Summer Academy at CLMS, which included relocating grade-specific furniture and partitions from Great Neck, Oswegatchie and Quaker Hill. Our department also delivered and set up preschool playground equipment in the courtyard of CLMS.

Our department outfitted and set up an additional PreK classroom at Great Neck Elementary. We reconfigured the library at Great Neck Elementary, removing and relocating learning boards, mounting multiple bulletin boards and installing a library drop box.

Our department continued to assist with custodial services at the Community Center as well as setups and breakdowns for various meetings at Town Hall.

Through continuing preventative maintenance district-wide, we have promoted excellent air quality and a healthy learning environment.

Closing Statement:

At Waterford Public Schools, we take great pride in the education and the many co-curricular opportunities we provide the children of Waterford. We will continue to pursue innovative programs that will challenge our students for years to come. We will strive to involve all stakeholders in the process. I am thankful for the deep sense of community that Waterford embraces including the dedication of our staff, the partnership with our parents and families, and the amazing determination that our students possess every day. I am grateful for the support that is given to our school district and I hope that this report has provided valuable information for you regarding our programs. Should you have any questions, any member of our team will be happy to assist you.

Account Structure

The chart of accounts is structured as required by the state and federal governments for specific reporting purposes. Consequently, a 24-digit account number with its various reporting combinations becomes confusing at times. In an effort to simplify references to a specific account number, the chart of accounts has been restructured to include a “short account” number. The five digits of each account after the three digit Fund Account is the “short account” which specifically references that account. For example, #09020, refers to regular transportation and that account only, eliminating the need to refer to several numbers to reference one account. Each sub account category is differentiated as follows:

Budget Format

The budget format presents the information by object in summary and detail. The Executive Summary is the summarized version followed by a detailed budget totaled by object. The format has been revised as requested by the Board of Finance to align information in one format.

Consider the following factors when you are comparing budgets from year to year.

- Budget amounts do not reflect budget transfers during the year required to meet needs at that time.
- Some purchases are intermittent, i.e., repairs, program supplies and semester courses.

BUS LOT OPTIONS

The original question was about parking near the existing bus parking; given the wetlands that was problematic.

We continue to engage the Planning Director regarding a site plan to be completed in order to keep the buses at the high school lot.

A contractor is coming on site to provide estimates for expanding parking on the premises if a site plan determined that was necessary.

WATERFORD PUBLIC SCHOOLS
2020-2021
Superintendent’s Recommended Budget

WPS MISSION STATEMENT

Waterford Public Schools is a **community** of learners that fosters and supports high **aspirations**, ensuring every student acquires the **skills and knowledge** necessary to be a **responsible citizen**, **prepared** to contribute and **succeed** in an ever-changing world.

2019-2020 BOARD GOALS

- Execute and support the **District’s Strategic Plan**.
- Support high quality, effective **professional learning**; providing necessary resources of time and funding.
- Promote **mental health** approaches to reduce emotional stress among our students; and support the social and emotional intelligence and development of students.
- **Engage families** in the most meaningful ways possible with their children’s learning.
- **Promote** the features and benefits of all of **the Waterford Public Schools** to encourage Waterford families to send their children to our five public schools and to investigate other districts in attending WHS.
- Assess the **district’s growth and progress** using a variety of assessments, information, evidence, and data to ultimately improve teaching and learning.
- **Support the budget process** in a challenging State and local fiscal environment and explore effective collaborative relationships in order to achieve collective savings and/or efficiencies.
- Support a **positive school climate**.

STRATEGIC PLAN - FIVE GOALS

- 1** COMMUNICATION & ALIGNMENT
- 2** HIGHER ORDER THINKING
- 3** ASSESSMENT
- 4** POLICY ALIGNMENT
- 5** SOCIAL EMOTIONAL LEARNING

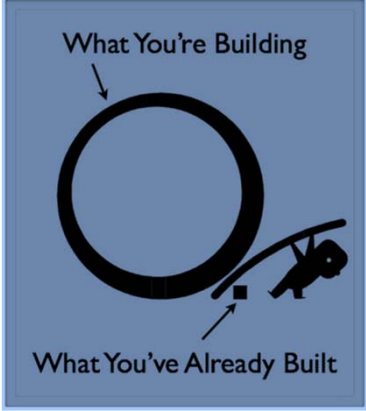

STRATEGIC PLAN

Supporting student success for life, learning and work beyond school...

- **2019-20 SCHOOL YEAR**
 - Finalize our District’s Vision of the Graduate
 - Final Vision of a Graduate Rubric
 - Inclusion of HOTS (Bloom’s Taxonomy) and Vision of Graduate into Curricula
 - Implementation of DecisionEd
 - Data Warehouse
 - Draft a District Dashboard
 - Complete our Policy Manual audit with revisions

CSDE VISITS CLMS MATHEMATICS

“You have nurtured a great group of adults at this school who **trust** you, trust each other, and are willing to take **risks** and **grow** together. The **engagement** of the students, and the **passion of the educators** was evident in every classroom and truly **energizing** and **invigorating**.”

We especially applaud your efforts to **build deep learning in mathematics** among your students. We saw numerous examples of how teachers **pushed students** to **think deeply** and communicate their conceptual understanding of **critical concepts...such a fundamental change to teaching practices requires sustained coaching and support...**”

	<p>NOTES:</p> <ul style="list-style-type: none"> • This inventory generally includes mandates derived from Title I 0 of the Connecticut General Statutes that apply to local and regional school districts in Connecticut. • This inventory generally does not include obsolete and expired mandates, mandates embedded in state or federal regulations, and mandates that apply (1) only to certain types of school districts, such as low-achieving school districts; (2) as a condition of receiving a state grant other than an Education Cost Sharing grant; or (3) to all public agencies, such as the Freedom of Information Act. • This inventory includes a few relevant mandates that fall outside the aforementioned parameters, however, the inventory does not represent an exhaustive list of mandates outside Title I 0 of the Connecticut General Statutes. • The summaries of the mandates in this inventory are detailed but not necessarily comprehensive, as they are designed to give the reader a flavor for the nature of the mandate. For purposes of compliance, school districts should refer to the statutory and regulatory provisions themselves, and/or consult legal counsel, rather than rely solely on the summaries. • Many statutory and regulatory provisions include multiple mandates, and often those mandates fall within different categories. For those provisions, we checked all the categories that apply to the mandates therein. • This inventory is a work in progress. More relevant mandates may be identified and/or additional relevant mandates may be passed by the legislature.
