2021-2022

Adopted Budget

BOE Approved: February 25, 2021

BOF Approved: March 24, 2021

RTM Approved: May 6, 2021

MISSION

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

WATERFORD BOARD OF EDUCATION GOALS 2020-2021

- Execute and support the District's Strategic Plan.
- Support high quality, effective professional learning; providing necessary resources of time and funding.
- Promote mental health approaches to reduce emotional stress among our students; and support the social and emotional intelligence and development of students.
- Engage families in the most meaningful ways possible with their children's learning.
- Promote the features and benefits of all of the Waterford Public Schools to encourage Waterford families to send their children to our five public schools and to investigate other districts in attending WHS.
- Assess the district's growth and progress using a variety of assessments, information, evidence, and data to ultimately improve teaching and learning.
- Support the budget process in a challenging State and local fiscal environment and explore effective collaborative relationships in order to achieve collective savings and/or efficiencies.
- Support a positive school climate.
- Advocate for and build a district that promotes equity.

Acknowledgements

The development of the Waterford Public Schools Fiscal Plan for 2021-22 is a substantial leadership responsibility. We know from best practice that quality is achieved through the involvement of many people. The Waterford Public Schools Budget is consistent with and supportive of the Board of Education goals. Input was provided by district administrators, schools administrators, teachers, staff and Board members. All are to be commended in balancing the needs of all students and our local taxpayers.

I also wish to acknowledge the efforts and hard work of our support staff that helped to prepare the document and data to serve as an informative decision-making tool. Special recognition goes to Pamela Tuneski, Executive Administrative Assistant to the Director of Finance and Operations, Karen Kopec, Accounting Supervisor, Caroline Whittaker, Executive Secretary to the Superintendent, and Amelia Santangelo, Executive Secretary to Assistant Superintendent of Schools.

The efforts extended by so many people involved in this budget process are gratefully acknowledged.

Mission of the Waterford Public Schools

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

Dear Waterford Board of Education Members, Elected Officials, and Community Members:

I am very proud of our team that has persevered to provide a safe environment and a high quality education in the face of extraordinary challenges over the last ten months. Our instructional staff, of teachers and paraprofessionals, once again rose to the occasion educating students in different learning models. Our custodial and maintenance staff have maintained safe and clean buildings throughout the pandemic. The Food Service team quickly shifted gears to providing both in-school and to-go meals to any Waterford family for free. Our secretarial staff have answered thousands of questions from parents and the community and maintained detailed records to support a successful reopening. Our support team of professionals, often working behind the scenes, have kept the district operating providing all the necessary supports to staff and families. Our leadership team has led with a safety-first approach throughout and provided that steady hand and compassion. I want to recognize our students for being flexible, hard-working, and positive throughout as they have been asked to do many new things during this time. Lastly, I want to thank our parents, families and community for continuing to support our children's education as we navigate the pandemic.

This is a community proud of its schools for so many reasons. Our students come to our schools from a community that supports and values education in many observable ways. Our school district uses effective strategic planning, maintains a focus on results over time, and an unwavering commitment to quality teaching and learning. We vigilantly analyze our needs and re-allocate resources before asking for more; effectively negotiate employment contracts; and focus our energy

and resources on high leverage, research-based strategies. We continue our commitment to the health, safety, and wellness of our students, families, and staff. This Board of Education (BOE)-approved budget preserves reasonable class sizes and course offerings, a strong extracurricular program, and an investment in professional development and curriculum renewal in order to maintain and advance the quality of programs and teaching. We continue to take significant steps to continue to control the long-term fiscal lines in this budget such as salaries and benefits. In recent years, we have been able to aggressively negotiate contracts below statewide trends and move unions to mandatory high deductible health plans.

Our budget development process continues to be a needs-based approach. First and foremost, this budget is cognizant of the economic conditions facing our country, state, and town. This FY 22 BOE-approved budget is a 1.33% increase over FY 21.

The three main factors contributing to the modest increase are the elimination of 4.0 teaching FTEs; near flat health insurance; and savings due to a sizable turnover in our paraprofessionals.

Our Leadership Team examined our Board-approved budget assumptions; Board Goals; our District Strategic Plan; School Growth Plans; enrollment projections; current programs; initiatives; staff assignments; and supply and equipment needs that support our mission, vision, priorities and instructional focus. All budget requests from building and department leaders were reviewed and scrutinized by me and the Central Office Team. As is the case every year, requests were prioritized to meet students' needs. Reductions from initial requests were a collaborative approach and were considered based on strategic priorities. In addition, the Board of Education Finance Subcommittee met with administration throughout the winter collaboratively examining the budget development process in real-time.

I feel it is important to note that over the six years of budget development during my tenure, the Board has worked to align our budget with actual past expenses and historical trends. We have had significant academic gains in the last five years, but we do not intend to be satisfied with current successes. This budget invests in continued improvement and is intended to promote growth and achievement. This

budget will also allow us to address the needs of students that have emerged during the pandemic and the new challenges we will face next year. This budget meets all of the Board's statutory obligations and mandates with the goal of not compromising rigor in the classroom, supporting the social and emotional learning of students, promoting continued high quality teaching through embedded professional learning, all the while maintaining high expectations for all of our students.

This budget reflects a reduction of four (4) teaching positions from the FY 21 budget. Support Services staffing is flat from FY 21 to FY 22; no additional staff. This budget does support the hiring of a Board of Education Human Resources Director to reflect the discontinuation of Human Resources as a shared service. This returns the Board of Education to the same staffing levels for human resources before it became a shared service. Fixed cost increases, such as contractual obligations, benefits and insurances, tuitions, heat, energy and fuel, and transportation account for 0.86% of the 1.33% budgetary increase. All other line items total a .47% increase over FY 21; some of these items also include fixed costs.

On the revenue side, we are projecting revenue to the Town of Waterford General Fund of nearly \$196,000 (16 Tuition Students) in FY 22 due to our partnership with Eastern Connecticut K-8 districts who are electing to send a limited number of eighth graders to Waterford High School.

FY 22 PROPOSED BUDGET	1.33%	\$670,731
K-8 PARTNERSHIP TUITION REVENUE TO TOWN GENERAL FUND	(0.39%)	\$195,680
FY 22 NET PROPOSED BOE BUDGET	0.94%	\$475,051

Conclusion

I would like to acknowledge the hard work of our team; including our principals, department heads, directors and supervisors, business office and central office staff, and our faculty. I particularly want to recognize the efforts of Joe Mancini, Director of Finance and Operations; Craig Powers, Assistant Superintendent; and Kathy Vallone, Director of Special Services who have spent many hours over the last several months assisting in the development of this budget.

Line items have been justified and adjusted when necessary but not until after careful analysis. The budget proposal in this book emphasizes our continued commitment and obligation to the social and emotional wellness of our students and staff, while pursuing our mission of learning and high quality instruction. This budget places a high importance on instructional quality through embedded professional development and increased capacity to support our students with special education needs. It supports reasonable class sizes to sustain our stringent focus on student engagement and learning.

The Waterford Public Schools continues to be an exceptional school district in so many ways. We appreciate the community's support that allows the Board of Education to sustain the outstanding academic, co-curricular, and athletic programs that ensure that all Waterford students receive a high quality education. I stand prepared to assist you in your deliberations related to this proposed budget.

Sincerely,

Thomas W. Giard III
Superintendent of Schools

2021-2022 (FY 22) BUDGET ASSUMPTIONS

- Continue to explore and implement opportunities to reduce costs. Employ innovative strategies to maximize outcomes at the lowest cost to Waterford.
- Review current and projected enrollment data. Budget class size based on the following guidelines:
PK – Grade 1: up to 21 students per class; Grades 2-5 up to 23 students per class; Grades 6-12 up to 25 students per class.
- Implement curricular and instructional initiatives through Professional Development and Curriculum Renewal.
- Maintain quality technology in support of student learning, including support for the district’s technology plan. Implement a segment of our equipment replacement program.
- Adequately fund established Board of Education goals, including the Strategic Plan.
- Meet all Federal and State mandates.
- Assume 70% funding of the Excess Cost Grant that directly offsets the cost of providing services to several high cost special education programs.
- The budgeted cost of consumable goods and services will be based on past experience, existing contracts, and trend data.
- Continue programs for preventative maintenance and school safety for all facilities. Provide sufficient resources for ongoing maintenance and upkeep of all buildings, grounds, and equipment.
- Continue to provide educational services, which in many cases require specialized transportation and/or specialized educational placements for students who are residentially placed at Waterford Country School including the Thomas Bent Shelter.
- Include costs associated with all employee contracts.
- Continue to focus on the needs of the whole child by providing and maintaining quality programs and services.
- Grants funded at current year or reduced levels:

EMPLOYEE BENEFITS

Health Insurance

- Qualified employees of the Waterford Board of Education are entitled to receive Medical & Dental Insurance. Waterford's Health Insurance is a self-insured plan administered by Anthem Blue Cross and Blue Shield. The self-insured plan covers the first \$175,000 per person per year, with any amount in excess being covered by Stop-Loss Insurance. The High Deductible Health Plan (HDHP) has helped mitigate costs over the past five years.

Life Insurance

- Costs associated with coverage as negotiated in several union contracts.

FICA

- As an employer, we are obligated to match our employees' deductions for social security. Most support personnel are required to contribute to this fund based on their number of scheduled hours. Also, we are required to contribute the Medicare portion (1.45%) on all new certified personnel hired since 1986.

Reimbursements

- Contractual obligations for tuition reimbursement and maintenance/custodian shoe allowance.
- Tuition reimbursement under the teacher's contract is set at \$90,000. The remaining amount is for contractual obligations for various support staff bargaining units.

Unemployment Compensation

- We are required to contribute to the unemployment compensation of eligible former employees, who earn wages from Waterford Public Schools during a specified benefit period.

Worker's Compensation

- According to State statute, we must maintain worker's compensation coverage in the event an employee is injured while on the job. Coverage is provided by CIRMA (Connecticut Inter-local Risk Management Agency) and premiums are based on rates per job category and claim history.

Unused Sick Leave

- This is the contractual obligation for the payment of unused sick leave upon retirement. The projection is based upon notifications from teachers of a pending retirement for the next school year. While many senior employees will retain this benefit, contract negotiations have achieved reduced benefits for mid-career employees and have eliminated this benefit for new hires.

Retirement Incentive

- The amount budgeted is the payment due for those employees who retire. The projection is based on retirement notifications received per contractual obligations prior to December 1st.

Instructional Services

- Waterford is a participating member of the New London Adult Education Program. In the 2020 – 21 school year, 166 Waterford residents participated in the Adult Education program. The programs that were offered and utilized by our residents are: Adult Basic Education (10); HS Credit Diploma (14); U.S. Citizenship (4); English as a Second Language (40); and GED Preparation (6). There were also 391 Waterford residents enrolled in various Continuing Education Programs.

Professional Development

- This account is used for teacher and administrator training as specified in the District's professional learning plan. Most of these funds support programs that are developed and presented within the District. Three full days of teacher training are also offered each year. The quality and improvement of the education offered all students depends upon the continuous improvement of the staff, both teachers and administrators.

Curriculum Development

- The curriculum revisions that are in progress and will be completed by the end of the 2021-22 school year are:
 - Physical Education (PK-12)
 - Health (PK-12)
 - Social Studies (6-12)
 - English Language Arts (6-8)
 - Mathematics(9-12)
- The Curricular Areas where work will begin during the Spring of the 2021-22 school year are:
 - Art (PK-12)
 - Science (PK-12)

Other Professional/Technical Services

- These accounts are used for where special skills/expertise is necessary or required throughout the district. The Special Services department utilizes these funds for occupational and physical therapists, Board Certified Behavior Analysts, invoiced services at magnet and charter schools, health services, and outside evaluations and has seen increased student need over the past few years. The IT department uses funds to support special expertise required to maintain over \$5 million in total infrastructure. Funds for new employee physicals, district nursing services, the district medical advisor and residency investigations are also paid out of these funds. Certain district initiatives are supported by consultants.

Legal Services

- Legal Services will remain level with the prior year to support operations and issues in special services issues. We are entering negotiations with the administrators, paras, custodians/maintenance, and food service unions and as such this request represents supporting that effort.

TRANSPORTATION**\$2,488,513****Pupil Transportation – Regular and Special Education**

- The transportation contract was put out to competitive bid January 2017 with Student Transport of America (STA) being the lowest qualified respondent. STA has proposed a 3% annual increase with this five-year contract. FY22 is the final year of the contract with STA.
- This budget is based on the current year utilization and assumes twenty-three (23) Type I buses for regular education transportation and nine (9) Type II, buses, three (3) of which are wheelchair equipped.

Magnet School Transportation

- In FY20 and FY21 budgets, the Waterford Board of Education has eliminated transportation to all out of district magnet schools.

Fuel- Buses/Vans/Maintenance

- The cost of diesel fuel under our transportation contract with Student Transportation of America is borne by the Board of Education. This account is budgeted at the contracted price of \$1.6318 per gallon for diesel fuel while regular gasoline is budgeted at blended rate of \$1.4681 per gallon. The budget estimate is based on actual gallons used in 2018-2019 and anticipated future use. The school vans and the maintenance vehicles use regular gasoline.

Communications

- This category contains costs associated with various forms of communications. In FY22 this line will be funded 40% by the E-rate* program. The E-rate program funds Wi-Fi equipment, Fiber and Internet to the classrooms. Our district-wide network connects each school to Town Hall and is the conduit that runs our phones, television, internet, data, security alarms (lockdown, fire, and burglar), and electronic door access for each of the schools. These robust Fiber optic connections have greatly reduced annual expenses (i.e., phones and internet). E-rate fully supports the WPS networking model and will continue to provide maximum funding for eligible items. In FY22 E-rate will fund the following amounts for Wi-Fi improvements (\$10,000), fiber maintenance fees (\$7,080) and internet service for the district (\$5,760). In 2016, the State of CT cut funding for Internet services to all public schools (a previously free service). It is anticipated that E-rate will fund \$22,840 in FY22, which includes 40% of mentioned communication items. The district remains committed to finding creative ways to save money on communications and the fiber network has permitted us to add important features to our communication system without increasing our budget.

Postage

- This is the total cost of postage for Waterford Public Schools. This line is being reduced from the level of FY20 as we continue to utilize our web site to post information and the School Messenger system to deliver mass messages. Mailings are limited to essential correspondence.

Advertising

- Covers the cost of classified ads for personnel vacancies and legal notices. Electronic media is used whenever it is effective and efficient and only doing print advertisement when it is required by legal mandate or is the best option.

The Friendship School

- The Friendship School is a RESC-operated inter-district magnet school operated by LEARN, the Regional Education Service Center. The school serves about 505 three, four, and five-year-old children from towns in southeastern Connecticut. Tuition for students in Kindergarten is the statutory responsibility of the sending town. Special education costs are also the statutory responsibility of the sending town for any student at The Friendship School.

RMMS Magnet School

- The Regional Multicultural Magnet School, located in New London, is for students in grades K-5. Students are immersed in an environment where they learn to appreciate cultural differences from all over the globe as well as their own and celebrate the diversity of the world's communities.
- RMMS only charges tuition for a maximum of 24 students. We have 23 students projected to attend this school next year.

C.B. Jennings

- This K-5 school located in New London, opened as a magnet school in the 2018-19 school year and enrolls students in surrounding towns in kindergarten. Students receive instruction in both Spanish and English.
- We do not have any students projected to attend this school in the 2021-22 school year.

Winthrop STEM

- Winthrop STEM, located in New London, is a magnet school located for students in grades K-5, which specializes in learning through exploration in science, technology, engineering and math (STEM).

- The amount budgeted reflects a 2021-22 student enrollment projection of 14 students.

Nathan Hale

- Nathan Hale, located in New London, is a magnet school located for students in grades K-5, which specializes in Performing and Visual Arts.
- The amount budgeted reflects a 2021-22 student enrollment projection of 10 students.

Arts Magnet Middle School and Arts Magnet High School

- Students in grades 6-12 attending these New London programs are exposed to and immersed in the arts including vocal and instrumental music, visual art, dance, theatre, media arts, and interdisciplinary arts.
- We are projecting one (1) student at AMMS next year, and four (4) students at AMHS.

ACT Magnet High School

- EASTCONN's Arts at the Capitol Theater (ACT) magnet high school enrolls students seeking intensive study in the performing arts. Students have daily access to creative experiences through a curriculum that integrates the performing arts with more traditional academic high school subjects.
- The projected enrollment for 2021-22 is one (1) student.

STEM Magnet Middle School

- SMMS is the middle school option located in New London that specializes in learning through exploration in science, technology, engineering and math (STEM).
- The projected enrollment for next year is 4 students.

ISAAC School

- ISAAC, the Interdistrict School for Arts and Communication, is located in New London and is a free public charter school. ISAAC is an experiential learning community where students are challenged to discover their talents and strengths, while valuing the diversity in others in their school, community and the world.
- There is no tuition fee for ISAAC students, although we are projected to have eight (8) students there next year.

Ledyard Agri-Science & Technology

- The Ledyard Agri-Science & Technology program, for students in grades 9-12, provides opportunities for students to develop knowledge, competencies, skills, and attitudes in related areas for a future career, foster an interest in, or become a knowledgeable consumer of agriculture and natural resource products.
- Two (2) students are projected to be enrolled in this program in 2021-22.

Science & Technology Magnet High School

- The Science & Technology Magnet High School, located in New London, is a regional comprehensive program for students in grades 9-12, which specializes in STEM (Science, Technology, Engineering, and Mathematics) programming.
- We are projected to have 15 students at STMHS next year.

Marine Science Magnet High School of Southeastern Connecticut

- The Marine Science Magnet High School, located in Groton, is for students in grades 9-12 and provides a core curriculum and related activities which focus on marine subjects and are reflective of current and future marine-related opportunities.
- Twenty-two (22) students are projected to be enrolled at MSMHS in 2021-22.

Middle College High School

- Middle College Magnet High School, located on the Three Rivers campus, serves students in grades 11 and 12 who are interested in pursuing studies in the fields of engineering technology, business and finance, and hotel/hospitality management. Students complete high school graduation requirements while having the opportunity to take college courses.

- The projected enrollment for next year is 5 students.

Project Oceanology

- All sixth grade students at Clark Lane Middle School and those students at Waterford High School enrolled in marine biology and marine science courses participate in Project Oceanology at Avery Point.

Special Education – Other Public

Funding for the out-of-district placement of special education students whose placement is in a specialized program within a public school setting:

- **OCEAN AVENUE LEARNING ACADEMY:** The facility supports students with developmental disabilities such as autism, emotional and behavioral challenges, and complex medical needs. The program provides ABA services as well as direct and consultative clinical support in the areas of psychiatry, psychology; social work and behavioral expertise – these are provided based on the child's individualized needs.

Special Education – Private

Funding for the out-of-district placement of special education students whose placement is in a specialized program within a private school setting:

- **Adelbrook (Transitional Academy):** The Ädelbrook Transitional Academy is a community-based vocational program for young adults with intellectual and/or developmental disabilities. In addition to vocational training, the Transitional Academy provides functional academics, and community engagement opportunities to help prepare students for independent living. Students have the opportunity to develop critical life skills through a hands-on and exploratory curriculum.
- **Buckingham** - Buckingham was established in 1990, and is a non-profit corporation providing a variety of supports and services to student and adults. They provide vocational placements in the community, individual home supports and school to work transitional services.
- **Connecticut Coastal Academy** – The Connecticut Coastal Academy is at the forefront of decade's long movement that restores and recognizes the gifts of people with physical, intellectual/social emotional and learning differences. Inclusion of nontraditional thinkers and learners is not a service they provide; it's a strength

they harness. Through restorative approaches to behavioral health we nurture socially oriented young people, who are proud to take meaningful roles in their communities.

- **Lighthouse Voc-Ed Center, Inc.:** A private, nonprofit organization established to promote a quality community based program encompassing the life skills necessary for individuals to function independently. Each person's program is coordinated with their teachers, therapists, speech pathologists, case managers, and/or families. Individual programs are designed for each person based upon their needs as determined by staff and families. Success oriented, integrated group activities are designed according to age and behavior. Lighthouse provides both day and extended day programs.
- **Meliora Academy:** Meliora Academy is a private educational program designed to provide intensive and comprehensive educational services to students with autism spectrum and related disorders. It provides students with a data-based instructional curriculum as part of a transdisciplinary teaching program utilizing research-based interventions including, but not limited to, ABA to reduce the fragmented learning that often occurs with youngsters on the autism spectrum.
- **River Run Academy at the Susan Wayne Center of Excellence** - is a residential treatment center designed to enable students with unique challenges to reach their maximum potential by offering a sophisticated level of education and clinical treatment.
- **Seabird Enterprises, Inc.:** Seabird was established as a non-profit organization in the town of Groton in 1983 to provide vocational opportunities to students and adults with intellectual and/or disabilities in the community.
- **The Learning Clinic** – has an academic campus which provides individualized services with self-paced instruction and authentic experiences on campus and in the community. They provide a small group setting for students who have significant emotional needs who have struggled in the typical public school setting.
- **Waterford Country School:** Comprehensive special education academic, prevocational, behavior management, life skills, and support programs for residential, emergency shelter, and day students, ages 8-21. Day students may be placed by their LEA. Residential, shelter and safe home placements are state agency placements.

Waterford Transition Program at UCONN Avery Point Campus

- Transition Program for students ages 18-22 that is located on the UCONN Avery Point campus. This transition program provides students with a variety of opportunities which include direct paid work experience, teaching around resume writing, job applications, personal finance, career readiness, study skills and independent living skills, to name a few. Students also have an opportunity on Fridays to work in the community as well as building social skills with peers. The program fosters the growth of the special education student to build their independence so they are able to enter the work force or attend college with assistance or independently.

Emergency Shelter

- No-nexus State students who have been placed in the Waterford Country School's Thomas Bent Shelter who are not appropriate for public school placement. Educational services are provided by Waterford Country School. This account varies widely from year to year due to state agency placements.

Waterford Country School – Out-of-District

- No-nexus students who have been placed in one of the Waterford Country School's Safe Homes or Shelters and requires an intensive, therapeutic educational setting such as Thames Valley Clinical Day Treatment or the Joshua Center based upon the students Individualized Educational Plan (IEP).

Excess Cost – Local, Public, Private

- Excess cost reimbursement was defined as five (5) times beyond the district's average per pupil cost for placements made by the district. However, beginning July 1, 2003, the reimbursement base was reduced to four and one half (4.5) times by the General Assembly. State Agency placements are set at one (1) times beyond the district's average per pupil cost. The anticipated projected reimbursement rate for excess cost is 70%.

Travel – District

- The cost of travel reimbursement for itinerant teachers, information technology and maintenance personnel traveling within the five (5) schools in the district. Actual reimbursement per Board of Education policy is based on Internal Revenue Service guidelines.

Conferences/Meetings

- Conferences are focused around instruction of literacy and mathematics, with preference given to new areas of curriculum implementation.

Contracted Services

- The cost of miscellaneous consulting and programming fees related to business office financial management software.
- There is an annual maintenance cost associated with the time and attendance system (joint project with the Town) to improve efficiency and accuracy of an important management function.
- Additionally, this series covers air quality testing, pest control, boiler maintenance and emergency lighting.

Field Trips

- The operating budget provides limited funding for field trips. The field trips are primarily for science and music competitions. These funds are utilized to transport Waterford High School students to academic competitions.
- Our contract with Student Transportation of America allows for 200 field trips in southeastern Connecticut, therefore, costs are contained for field trip transportation.

Fuel Oil

- For Fiscal Year 2022, the Waterford Board of Education will only be using fuel oil for generator use at four of our schools; Clark Lane Middle School does not have a generator. The estimated price for fuel oil for 2021-2022 is \$1.6318 per gallon.

Electricity

- The School District uses in excess of 7 million KWH per year. During fiscal 2021 the school district entered into a contract with Constellation Energy for a one year contract that will expire in December of 2022. The Rate is \$0.07220/kWh which was a slight decline from the previous rate of \$0.07640. This one year contract was to time the Waterford Board of Ed's contract expiration with that of the town, in the future Electrical contract will be bid/purchased in coordination with the town of Waterford. All related transmission fees of 0.07418 added to KWH cost gives us an estimated budget cost per KWH of \$0.146.

Natural Gas

- Clark Lane Middle School has begun using natural gas as of winter 2018.
- The high school will continue to heat the pool area, auditorium and gymnasium with natural gas.
- Quaker Hill Elementary School uses natural gas primarily in the cafeteria.

Propane

- Propane is used in all cafeterias to heat hot water and in the front office at Great Neck and Oswegatchie Schools.

Water

- The cost of water is based on usage and a fee that is based on the size (diameter) of the pipe.

Sewer

- The cost of sewer is based on the water consumption and a fee with the majority of the sewer fee based on use.

Maintenance and Repair

- There are several accounts in this category, all pertaining to the cost of contracting maintenance services such as security monitoring, alarm system (burglar, refrigerators, sewer, boiler) specialized electrical, heating and plumbing, roof repairs, floor machines, inspections, service contracts, snow removal, vehicle maintenance, and fire extinguishers.

Maintenance Equipment

- Tools and equipment with a unit cost excess of \$500, and having a life expectancy of more than one year, will be charged to this account to allow for better tracking of expenses.

Maintenance Supplies

- In order to monitor and track maintenance expenses more closely, this account has been subdivided into several specific accounts. The new account structure includes individual accounts for electrical supplies, air filters, and plumbing supplies. These are in addition to vehicle, custodial, paint, pool, and general supply accounts. The budgets for these categories cover the costs of cleaning, preventive maintenance, and repairs for the district. Supplies for cleaning are consumables products. Supplies for maintenance are used for preventive maintenance and repairs which are done by Waterford Public School personnel labor. Supplies for the pool include special cleaning products for the pool deck, pool chemicals and maintenance of the chemical controller.

- In 2021-22, the district will undergo a full curriculum renewal for Physical Education (PK-12), Health (PK-12), Social Studies (6-12), English Language Arts (6-8), Mathematics (9-12). District funds are used during the curriculum renewal cycle, which is updated each year depending on district needs.
- Textbook funds at the school level are used for replacing worn out texts or purchasing additional copies of texts due to increases in class enrollment.

Waterford Board of Education

MISSION

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

In support of this Mission, we believe:

- ☐ Education is a collaborative responsibility requiring a partnership among the individual, family, school system, and community.
- ☐ Safety, integrity, and respect are critical to support success for all learners.
- ☐ The greatest potential for learning occurs when an individual's social, emotional, and academic needs are met.
- ☐ Student growth and achievement are enhanced when curiosity, creativity, and continuous improvement are valued by all members of the learning community.
- ☐ Evidence and information are the foundation of sound decision-making.

ACADEMIC, SOCIAL AND CIVIC SKILLS

ACADEMIC

- Communicate effectively for a variety of purposes and audiences.
- Acquire, understand, evaluate, synthesize, and apply information.
- Use critical and creative thinking to find and solve authentic problems.
- Construct and defend arguments based on evidence.
- Demonstrate digital fluency and purposeful application of tools for learning.

SOCIAL

- Demonstrate behavior that adheres to established standards of conduct and reflects integrity and fairness.
- Recognize, respect, and value individual, cultural, and racial diversity.
- Engage productively in self-directed independent and collaborative endeavors.

CIVIC

- Participate in activities that foster citizenship, the democratic process, and community awareness.
- Share in the responsibility for the mental and physical safety of themselves and others.

GOALS

1

COMMUNICATION & ALIGNMENT

The district is committed to a clearly communicated and purposeful vision, shaped by our mission and defined, prioritized goals, which will ensure student progress and success.

2

HIGHER ORDER THINKING

The district is committed to creating a unified district focus on Higher Order Thinking Skills.

3

ASSESSMENT

The district is committed to assessing progress in a consistent, accurate, and timely manner and will use the assessment results to identify needs, guide changes in instruction, and inform conversations about needs and goals of both students and staff.

4

POLICY ALIGNMENT

The district has committed to aligning policies and processes that support the mission of the district and further the goals of the Strategic Plan.

5

SOCIAL EMOTIONAL LEARNING

The district is committed to supporting the social and emotional needs of all students.

Enrollment Summary

The enrollment projection for the 2021-22 school year is 2,358 students. The NESDEC projected enrollment for the 2020-21 school year was 2,391 with an actual enrollment of 2,367. The decline in enrollment is due to the increase in homeschool requests as a result of the COVID-19 pandemic.

The projected Pre K-5 enrollment forecasts an increase at the elementary level from the current 972 students to 990, which is 18 more students, for a 1.85% increase. Also included in the 2021-22 enrollment projection is 54 students in pre-kindergarten. This number includes our forecast of 25 students requiring pre-kindergarten services as part of the Individualized Education Plan and an equal number of non-disabled peers.

The projected enrollment for grades 6 through 8 at Clark Lane Middle School predicts a decrease from the current 580 students to 554 students, which is 26 fewer students, for a 4.50% decline.

The projected enrollment for Waterford High School forecasts to see a decrease from the current 815 students to 788 students, which is a 3.31% decline, or 27 fewer students.

Direct Payment Grants Description

Title I, Improving Basic Programs

The federal government provides funds for education of needy students. These funds are used to partially fund Literacy and Math Support Teachers at the elementary, middle and high schools.

Title II, Part A, Teachers

Money is used to fund professional learning for staff to improve instruction.

Title III, English Language

This grant is used to provide professional development for the ELL teacher. It is also used to purchase curriculum materials for English Language Learners.

IDEA, Part B, Individuals with Disabilities Education Act

A grant provided by the federal government based upon the number of identified special education students. This supplements special education programs in all Waterford schools. A proportionate amount is used for non-public special education students.

IDEA, Part B, Preschool Incentive

An Entitlement is provided to local school districts serving preschool handicapped children ages three, four, and five. Funds are used to provide handicapped students opportunities to learn in an environment that does not segregate them from their normal peers. These funds are applied to The Friendship School.

ESSER I,II, III & CRF

The federal government has provided funds during the coronavirus pandemic, where PPE and funds used to close the learning gap due to the pandemic have been provided to states.

Special Education Excess Cost

The State Department of Education will reimburse out of district placement tuition costs that exceed 4.5 times the district's annual per pupil expenditure for students placed by Waterford Public Schools as well as the excess of tuition costs beyond the one time standard pupil cost for students placed by a State agency.

Adult Education

A grant is received from the state to help fund the required adult basic education program. We have a cooperative arrangement with New London, which administers courses leading toward a high school equivalency diploma.

Carl Perkins Grant

A federal grant used to enhance vocational training at the high school by providing an increased focus on the academic achievement of career and technical education students and strengthen the connections between secondary and postsecondary education. The funds are used in the areas of Business and Finance Technology, Family and Consumer Sciences, and Technology Education and Engineering.

Community Center

The Waterford Community Center reimburses the School Department for 1.0 FTE custodian that serves the center.

IT (Information Technology)

The Waterford Public Schools provides technology support to the Town of Waterford. This revenue represents the Town's reimbursement for service on a pro-rata basis.

Medicaid

Waterford Public Schools is an approved Medicaid provider which can bill the federal Medicaid program for all medically necessary covered services that are provided during the school day and are authorized by a planning and placement team. Only certain diagnostic and rehabilitative services are partially reimbursed by the federal government if they are offered to Medicaid eligible special education students.

Teachers Retirement Board Health Insurance Supplement

Public Act 89-342, which provides to Boards of Education and retirees partial subsidization of health insurance premiums.

Waterford Recreation and Parks

Supplemental funding to Board of Education for costs of community usage.

Mr. Thomas W. Giard III
Superintendent of Schools

Mr. Craig C. Powers
Assistant Superintendent

Dear Community Members,

I continue to be proud to be the Superintendent of the Waterford Public Schools. I sincerely appreciate the opportunity to lead such an outstanding school district with such a history of excellence.

The 2019-2020 school year was one of substantial accomplishments in the Waterford Public Schools for our students, staff, and families. The 2019-2020 school year presented some significant challenges with the onset of COVID-19 in March 2020. We were literally asked to revamp our entire education system overnight and revert to offering instruction to students at home. Our team answered the call and did a marvelous job, given the circumstances, of educating our students. Our parents and families stepped up to assist us in making the best of a tough situation.

On behalf of our central office team, it is a pleasure to present this Annual Report to the Waterford community. This report will provide substantial information with regard to the many programs happening in our school district.

The Waterford Board of Education has continued to work diligently through challenging budgetary times to provide consistent educational programs and maintaining an engaging environment that challenges our students. We have an amazing staff who are dedicated to our district; bringing their best at all times for our students. The Board maintains a strong commitment to excellence to vigorously engage students in the learning process and ensure that all students are college and career ready. During the 2019-2020 school year, the district implemented the third year of its five-year Strategic Plan. Our schools also continued to implement several Sandy Hook Promise Programs including Start with Hello, Say Something and the Wingman Program at Clark Lane Middle School. We continued many parent engagement activities as well. The safety and well-being of our staff and students remains our top priority.

It is inspiring to be a part of a team that is committed to educating the whole child; providing for the social, emotional, and academic well-being of every student. As this Annual Report shows, we have once again reaffirmed the importance of reasonable class sizes and academic support services. We continue to offer a full range of opportunities for students at a time when many school districts are cutting back their programs in athletics and the arts.

At the end of the day, our students continue to achieve at high levels, develop their talents and interests, and demonstrate their commitment to make a positive contribution to their community. We are very proud of our many noteworthy accomplishments and continue to appreciate the immense support from our families, town, and community.

Districtwide

- The district's five-year strategic plan remained a focal point this past year ensuring a strong coherence across all goals from the Board of Education to Administration to staff. School leadership teams created school improvement plans that included goals and strategies to address accountability results, standardized assessment data, and the district's strategic plan.
- The district continued its focus on opportunities for students to earn college credit. 13 Advanced Placement (AP) courses were offered as well as 11 Early College Experience (ECE) courses. 937 AP and ECE courses were taken at Waterford High School during the 2019-2020 school year. Waterford High School provided students Extended Learning Opportunities ELO's, a program designed to provide students with the ability to earn high school credit through learning experiences that occur outside of the classroom setting.
- Administration and staff applied for and received over \$170,000 in grants to enhance the educational platform for the district and students. These 22 grants, which we applied for, are a vital instrument in bringing educational programs and opportunities to students in the district we otherwise might not be able to support.
- 40 Waterford High School students achieved the Seal of Biliteracy, passing tests in languages including French, Latin, Spanish, Urdu, Albanian, and Mandarin.
- The College and Career Pathways program completed its third year providing students with opportunities for exploration in STEM, Marine and Environmental Science, Business and Hospitality, Health Services, Arts and Communication, and Leadership and Public Service.
- The design and implementation of programs to meet the Social and Emotional needs of our students remained a consistent priority within the district. We had a successful third year of the Sandy Hook Promise Say Something Program and Wingman Program at Clark Lane Middle School. Elementary Schools continued the Start with Hello program. We continued our work with our community partners as well in these vital areas. The Youth Promise Program in collaboration with the Waterford Youth and Family Services Bureau and the Police Mentoring Program through the Waterford Police Department continued an engaging collaboration between the town and district.
- Professional Learning remained a focus for providing resources for staff growth and development. Three teachers were also selected to receive a Fund for Teachers Fellowship Grant that will enable them to engage in significant, in-depth professional growth experiences around the world. The global experiences, due to COVID-19, have been delayed until the summer of 2021.
- Clark Lane Middle School started a new robotics program in the 2019-2020 school year to compete around the state. The Clark Lane Middle School Robotics Team won the Judges Award for the Best Innovation Project at the First Lego League Regional Competition.

- Other highlights:
 - 26 members inducted into the Waterford High School National Honor Society
 - 47 members inducted into the Waterford High School World Language Honor Society
 - Great Neck Elementary School was recognized as a 'School of Distinction' by the Connecticut State Department of Education
 - State of Connecticut Education Commissioner Manuel Cardona toured Waterford High School and Oswegatchie Elementary School.
 - Connecticut State Department of Education Chief Performance Officer Ajit Gopalakrishnan and staff visited Clark Lane Middle School to observe math practices due to high rates of student achievement on state testing in mathematics.
 - The district continues to be mindful of the economic climate and consistently puts forth responsible budgets that allow us to continue to progress as a district.

Waterford's students as a whole continue to perform well in the classroom and in the community. This is a reflection of the dedication to the students of Waterford by our teachers, staff, administration and our parents. We will continue to work on fulfilling our mission statement to guarantee that each student acquires the skills and knowledge to become a successful individual and a responsible citizen by setting high expectations and requiring excellence in an atmosphere of integrity and respect.

Curriculum Department

Curriculum is under a two-year review process due to the large scale revision design and school closure interruption due to COVID-19. The Curricular Content areas under revision are Physical Education PK-12, Health PK-12, Language Arts 6-8, Social Studies 7-12, and Mathematics 9-12.

The Professional Learning and Evaluation Committee (PLEC) met four times over the school year and worked on the planning of all district Professional Learning Days.

The district Analysis and Action Team (DAAT) met four times in the 2019-2020 school year, with a focus on Aligning HOT Skills with Vision of a Graduate and Transferable Skills. Review of Scoring Criteria Principles and developing Scoring Criteria was conducted.

There were professional workshops in the following areas: K-5 Words Their Way, K-5 Math Workshop, Google Level 1 Certification, Google Level 2 Certification, 6-8 Great Schools Partnership, 6-8 Standard Based Grading, 6-8 PBIS, and 9-12 Great Schools Partnership Mastery Based Learning.

Business Department

The start of the 2019-2020 year saw the introduction of a new tuition model, a tuition model that is expected to bring in an additional \$1 Million per year by 2025 to the town of Waterford. During FY20 we have continued our work towards analytical based decisions that drive predictability and cost control. We've continued to seek opportunities to lower operating costs; in 2020 we replaced all lighting at Clark Lane Middle school with LED lighting.

Information Technology Department

Much progress has been made in FY20 building on the existing technology at Waterford. Along with the day to day operations, the department completed tasks on time and with success.

The IT Department supports both the town and the school district. All work orders are monitored that are assigned to the IT Department. The reports are kept on file and reviewed on a regular basis. These reports help the town determine funding for IT services. It has also provided a valuable indicator of trends and has enabled us to predict busy times of the year and review employee performance.

Providing superior technology is of paramount importance to achieve our goals. This requires hiring talented staff, proper management and careful budgeting. We continue to leverage the existing infrastructure to make improved design changes and enhancements.

Most modern technology departments have shifted from computer support to everything support. The Waterford IT Department now supports phone systems, card access, security systems, classroom video, TV and police communications systems.

Software continues to be centralized or cloud based for best management. The Technology Plan calls for centralization of software. Our design of the system supports this change.

Last year the fiber links between schools had received a major upgrade. All schools were upgraded from 1GB to 10GB. This solved some bottleneck issues we encountered during the student online testing which is occurring more every year. This year we leveraged the new 10gig network by enabling high speed servers, Wi-Fi systems and new operating systems. This directly benefits the IT learning environment in the classrooms.

We are approaching 1000 devices (Chromebooks/IPads) in the district. Virtual computing and mobile devices are now mainstream in Waterford schools.

The town received significant support and upgrades from the IT department in FY20. In addition to daily tasks, the IT department assisted many departments with special requests. We assisted with computer moves during the carpet installation at Town Hall and Youth and Family Services Bureau. We installed 35 new workstations at the police department and library. In addition to departmental work, we upgraded the core datacenter. The upgrade brings the town up to date and able to utilize modern solutions going forward. The upgrade consists of new virtual server hardware, software and core network switches.

In March 2020 we had an unexpected change of work flow with the COVID-19 crisis. School buildings were closed for the remainder of the year. School leaders looked to the IT department to help with working from home and distance learning. The department went to work right away to create a distance learning environment with continuity of instruction and work from home solutions. There were many parts to making everything work; communications, software evaluations, purchasing, device deployment and training for all of the above. In addition to the school environment, the IT department assisted the town with work from home solutions and communications.

Other Information Technology Department FY20 Highlights:

- Installed new classroom interactive panels at Quaker Hill Elementary School.
- Installed new high speed Wi-Fi at Waterford High School, police department and public library.
- Built a data dashboard for the school district. It was designed to analyze student performance data and assist with data driven decisions.
- Applied for the Pegpetia grant. Used the awarded funds for network upgrades at Clark Lane Middle School.
- Setup public meeting streaming solutions using Zoom and YouTube.
- Replaced all older servers for the town departments. All servers brought up to current standards
- Assisted with the technology needs of the new municipal building on Hartford Road.
- Installed new email systems for both town and school district. Decommissioned old email systems.

Special Services Department

Special Education services continue to be delivered primarily in inclusive settings across the district. At Waterford High School and Clark Lane Middle School, special education services are delivered in cooperatively taught classes, along with classes which focus on specific skill improvement that are typically offered in a self-contained setting. Our elementary school buildings support the continued inclusion of special education services with a focus on the provision of related services in the general education setting. Services have been enhanced to support special education students as they transition from preschool to elementary school, elementary school to Clark Lane Middle School, and then to Waterford High School. Technology is utilized by all staff, when appropriate, to support special education students' needs, especially the use of iPads, Kindles, and Chromebooks. Our special education staff has focused on reading and literacy development, with an emphasis on research-based programs such as Wilson Reading, Orton-Gillingham, Read Naturally, Read Live, Reading Milestones, Lindamood-Bell, and the EdMark Reading Program.

We offer self-contained support center programs at each school building for students who are experiencing significant difficulty in the more traditional education setting. The programs focus on providing individualized instruction while fostering social and emotional growth. The support centers offer individualized supports which are flexible in order to meet the student's needs. These supports might include a check-in, part-time or a fully self-contained placement. We also offer a self-contained Autism program at the elementary level which provides very specialized services for students diagnosed with Autism. We have a district BCBA (Board Certified Behavior Analyst) who is able to travel among the schools to provide specialized support to students on the Autism spectrum as well as for any student struggling with behavior issues. Our district ADOS (Autistic Diagnostic Observation Schedule) team is working together to complete evaluations of students who are suspected of having Autism. We continue to provide a well-rounded program for our young children diagnosed with Autistic Spectrum Disorders particularly in the implementation of the SCERTS Model, which focuses on Social Communication, Emotional Regulation, and Transactional Support.

Our district mental health staff, which includes school psychologists, school social workers, school counselors, and our Board Certified Behavior Analyst, continues to work together in order to provide direct counseling services to our students and recommendations to staff and families as well as home visits as needed. Some of the programs being implemented by our counseling staff to provide students with strategies to support positive mental health include offerings such as Mind Up, mentoring, and yoga. Special Education staff, Middle and High School staff, as well as paraprofessionals, all attended a professional development training focused on supporting students dealing with social and emotional issues.

Our Speech and Language Pathologists have participated in training to complete assistive technology and/or augmentative communication evaluations for students. They continue to explore resources/apps for students to use to support their access to the curriculum.

Waterford has four inclusive Preschool classrooms, located at Great Neck and Oswegatchie Elementary School. The classes provide a program for all of the district's preschoolers identified as in need of Special Education. Related services as well as specialized special education services are provided as appropriate to meet the student's needs. There is a lottery for the general education peers to enter the program.

Buildings & Grounds Department

The 2019-2020 school year was a productive year for the Buildings and Grounds Department. At Clark Lane Middle School, the exchangers in the air-cooled chillers were rebuilt and we extended the gas lines from the boiler room to the field house to supply natural gas to the new energy-efficient water heaters for the locker rooms and kitchen. Three 4 -inch circulation pumps were rebuilt in the boiler room as well as two variable frequency drives were rebuilt. As part of continuous energy saving upgrades, all middle school corridor lighting was replaced with LED lighting.

We assisted the Food Service Department with food deliveries, setups, and distribution for curbside meal pickup. We also assisted the Waterford Youth and Family Service Bureau with multiple deliveries for their food distribution program.

At Quaker Hill Elementary School, we completed replacing the promethean boards to upgrade to touch-screen monitors; we removed all old promethean boards, patched and painted walls, and installed blocking to accommodate installation of the new monitors.

In June, we started the removal of approximately 50% of classroom furniture, storing it at Southwest School.

At Waterford High School, we supported and provided oversight for the new softball field and also provided electrical support for wiring the press box, scoreboard, and dugouts. We reconfigured the existing irrigation system to accommodate installation of the new field.

We designed and reconfigured the air conditioning system at the server room at dispatch. We installed three ductless split-systems, designed specifically for server room cooling.

We also replaced the main boiler at the Community Center and associated piping and installed chemical injection system for the hydronic heating system.

Closing Statement:

At Waterford Public Schools, we take great pride in the education and the many co-curricular opportunities we provide the children of Waterford. We will continue to pursue innovative programs that will challenge our students for years to come. We will strive to involve all stakeholders in the process. I am thankful for the deep sense of community that Waterford embraces including the dedication of our staff, the partnership with our parents and families, and the amazing determination that our students possess every day. I am grateful for the support that is given to our school district and I hope that this report has provided valuable information for you regarding our programs. Should you have any questions, any member of our team will be happy to assist you.

Sincerely,

READING THE BUDGET

Account Structure

The chart of accounts is structured as required by the state and federal governments for specific reporting purposes. Consequently, a 24-digit account number with its various reporting combinations becomes confusing at times. In an effort to simplify references to a specific account number, the chart of accounts has been restructured to include a “short account” number. The five digits of each account after the three digit Fund Account is the “short account” which specifically references that account. For example, #09020, refers to regular transportation and that account only, eliminating the need to refer to several numbers to reference one account. Each sub account category is differentiated as follows:

CHART OF ACCOUNTS – CODING SYSTEM

Budget Format

The budget format presents the information by object in summary and detail. The Executive Summary is the summarized version followed by a detailed budget totaled by object. The format has been revised as requested by the Board of Finance to align information in one format.

Consider the following factors when you are comparing budgets from year to year.

- Budget amounts do not reflect budget transfers during the year required to meet needs at that time.
- Some purchases are intermittent, i.e., repairs, program supplies and semester courses.

WATERFORD PUBLIC SCHOOLS
2021-2022
Superintendent's FY 22
Recommended Budget

WPS MISSION STATEMENT

Waterford Public Schools is a community of learners that fosters and supports high aspirations, ensuring every student acquires the skills and knowledge necessary to be a responsible citizen, prepared to contribute and succeed in an ever-changing world.

RECONNECT – REINFORCE · REDISCOVER

2020-2021 BOARD GOALS

- Execute and support the District's Strategic Plan.
- Support high quality, effective professional learning; providing necessary resources of time and funding.
- Promote mental health approaches to reduce emotional stress among our students; and support the social and emotional intelligence and development of students.
- Engage families in the most meaningful ways possible with their children's learning.
- Promote the features and benefits of all of the Waterford Public Schools to encourage Waterford families to send their children to our five public schools and to investigate other districts in attending WHS.
- Assess the district's growth and progress using a variety of assessments, information, evidence, and data to ultimately improve teaching and learning.
- Support the budget process in a challenging State and local fiscal environment and explore effective collaborative relationships in order to achieve collective savings and/or efficiencies.
- Support a positive school climate.
- Advocate for and build a district that promotes equity.

RECONNECT – REINFORCE · REDISCOVER

PROMOTE EQUITY

Advocate for and build a district that promotes equity.

- BOE Member and Staff Training
- Administrators being trained in the Anti-Racist Education Framework
- A regional superintendents learning group on leading a district through discussions of race, racism, and bias
- Curriculum audit around equity, implicit bias, cultural responsiveness, and other equity lenses
- Redesign our HS advisory program with an increased focus on equity, diversity and social justice
- **Launched our District Equity Understanding & Action Team**
- **Develop a District Equity Action Plan**

RECONNECT – REINFORCE · REDISCOVER

STRATEGIC PLAN – FIVE GOALS

- 1 COMMUNICATION & ALIGNMENT
- 2 HIGHER ORDER THINKING
- 3 ASSESSMENT
- 4 POLICY ALIGNMENT
- 5 SOCIAL EMOTIONAL LEARNING

Gen. Stat. § 10-231c(b). • Annually attest to the Department of Education that the school district is implementing such plan in accordance with the statutory provisions. 	4
C.G.S. § 10-212d	Prepare an emergency action response plan (1) to address the appropriate use of school personnel to respond to incidents involving an individual's experiencing sudden cardiac arrest or similar life-threatening emergency while on school grounds, and (2) for districts that have an athletic program, to address such incidents for individuals attending or participating in an athletic practice or event. Boards of education are required to assure that, at each school, an automatic external defibrillator and school personnel trained in the operation of an automatic external defibrillator and the use of cardiopulmonary resuscitation will be accessible during the school's normal operational hours, during school-sponsored athletic practices and athletic events taking place on school grounds and during school sponsored events not occurring during the normal operational hours of the school. School districts are excused from this obligation to have such equipment available at each school, however, if federal, state or private funding is not available to purchase the equipment or to train personnel.	1
C.G.S. § 10-214	<ul style="list-style-type: none"> • Provide vision, hearing, and postural screenings to students in specified grades. Provide written notice to a parent/guardian of any impairment or defect found during required vision, hearing, and or postural screenings. • Provide notice to a parent/guardian if the student did not participate in these required screenings and provide the reason the student did not participate. 	2
C.G.S. § 10-215	When a local or regional school district offers lunches, breakfasts, and/or other feeding programs, the school district must provide free lunches, breakfasts or other such feeding to children whose economic needs require such action under the standards promulgated by said federal laws.	1
C.G.S. § 10-215d	Local and regional school districts that serve breakfast and/or lunch to students must comply with regulations concerning nutrition standards for such means. The regulations are set forth in Conn. Agencies Regs. 10-215d-1.	1
C.G.S. § 10-215f	<ul style="list-style-type: none"> • School districts that participate in the National School Lunch Program must certify in their annual application to the Department of Education for school lunch funding whether, during the school year for which such application is submitted, all food items made available for sale to students and not exempted from the nutrition standards published by the Department of Education pursuant to section 10-215e will meet said standards. • School districts that certify compliance pursuant to this section may exclude from such certification the sale to students of food items that do not meet such standards, provided (1) such sale is in connection with an event occurring after the end of the regular school day or on the weekend, (2) such sale is at the location of such event, and (3) such food is not sold from a vending machine or school store. 	1
C.G.S. § 10-217a	Each town or regional school district which provides health services for children attending its public schools in any grade, from kindergarten to twelve, inclusive, must provide the same health services for children in such grades attending private nonprofit schools therein, when a majority of the children attending such schools are residents of the state of Connecticut.	1
C.G.S. § 10-217e	No art or craft material may be ordered or purchased by any local or regional school district for use by students in kindergarten through grade twelve unless such art or craft material bears a label that meets certain requirements (set forth in C.G.S. § 10-217d).	1
C.G.S. § 10-218	<ul style="list-style-type: none"> • Not later than one month after the date on which newly elected board members take office, elect a chairperson and elect a secretary. • The chairperson of the board of education or, in case of such chairperson's absence or inability to act, the secretary must call a meeting of the board at least once in six months and whenever such chairperson deems it necessary or is requested in writing so to do by three of its members. 	2

	<p>NOTES:</p> <ul style="list-style-type: none"> • This inventory generally includes mandates derived from Title 10 of the Connecticut General Statutes that apply to local and regional school districts in Connecticut. • This inventory generally does not include obsolete and expired mandates, mandates embedded in state or federal regulations, and mandates that apply (1) only to certain types of school districts, such as low-achieving school districts; (2) as a condition of receiving a state grant other than an Education Cost Sharing grant; or (3) to all public agencies, such as the Freedom of Information Act. • This inventory includes a few relevant mandates that fall outside the aforementioned parameters, however, the inventory does not represent an exhaustive list of mandates outside Title 10 of the Connecticut General Statutes. • The summaries of the mandates in this inventory are detailed but not necessarily comprehensive, as they are designed to give the reader a flavor for the nature of the mandate. For purposes of compliance, school districts should refer to the statutory and regulatory provisions themselves, and/or consult legal counsel, rather than rely solely on the summaries. • Many statutory and regulatory provisions include multiple mandates, and often those mandates fall within different categories. For those provisions, we checked all the categories that apply to the mandates therein. • This inventory is a work in progress. More relevant mandates may be identified and/or additional relevant mandates may be passed by the legislature.
